

The Vice Chancellor,
University of Engineering and Technology,
Lahore.

Dear Sir,

It is with great humility and an overwhelming gratitude to Allah (SWT), that I offer, on behalf of the class of 66-uet, scholarship / qarz e hasna to FIVE of your prospective students, starting this year as per terms in annexure 1.

This University is our *Alma Mater*.

It was in these corridors of knowledge that we rubbed shoulders with the best, and in these halls we learnt from the dedicated teachers and professors, to become what we are today.

From this launching pad we excelled both here and abroad.

By offering these scholarships we would only be paying back a very small portion of what our *alma mater* gave us. We hope you would accept this humble gesture.

Sincerely,

Naveed Afraz

On behalf of the class of 66-uet.
